

# Volunteer Opportunities

The Town of Mansfield relies heavily on volunteer citizens for good government. These citizens serve on committees along with town staff and other appointed members. They play an important role in the life of our community.

Some committees meet regularly, once or twice a month, others quarterly or rarely. Several require expertise, time, and work. Others draw upon the general common sense and community knowledge of their members, requiring less time and dedication. Terms of office are generally two years, with opportunities for reappointment.

The agendas, minutes, responsibilities and other information including lists of members and staff, for each committee are available at [www.mansfieldct.org](http://www.mansfieldct.org). We welcome you to go online and find out more about how you can play a role in making Mansfield a better place to live.
